

Jay's Certified Auto Repair is proud to provide to our customers these well established national brands. Working exclusively with quality products.

Walker Mufflers

As a leading supplier to global vehicle manufacturers, Walker is committed to providing the right parts to deliver OE-style fit, sound and performance for every application. Walker continues to expand its aftermarket product lines to provide the coverage you need. [Walker Exhaust](#)

Cooper Tires

Cooper passenger tires are designed for drivers who want optimum ride comfort, sporty handling, all-season traction and attractive styling. They are available for a diverse range of vehicles including passenger cars, minivans, small sport utility vehicles and crossovers. Cooper builds light truck tires for those who want all-season performance to those who demand the utmost in off-road traction. These tires are available for many vehicles including light trucks and vans up to 1 ton. [Cooper Tire Website](#)

Jasper Engines & Transmissions

This is your entry way into the world of JASPER remanufactured products. These are not used or rebuilt engines, transmissions and differentials, but totally remanufactured components with warranties of up to 3 years and 100,000 miles. Every JASPER product is built to meet or exceed OEM specifications and tolerances, and thoroughly inspected or tested to ensure quality, reliability and satisfaction. [Jasper Website](#)
